

Lanui

In Hawaiian, the word Lanui means "holiday." Through the months of November and December most of our lives are busy with the planning and excitement of the holidays. In our church plant, we have been going through the usual planning along with adjusting to covid policies along the way. In addition to the holiday season, our church began renting the unit next to us.

For the past two months, we have been renovating the unit and combining it with our original unit with a door. This has given us the space to have a designated children's area, fellowship area, and inviting front door. We are praying that even through Covid, God will use this space for His glory and we can see people get saved in these new rooms.

We also wanted to praise God for the people He has already let to our church. Our core group of people have remained faithful to church, and have been a great encouragement to us. With our state of Hawaii being in a tier plan for opening up, most have been hesitant to visit until the next tier opens up. We expected to be in tier three by Thanksgiving, but our state is still closed to a certain extent. Praise God we are still able to meet and have services through it all. On December 21, our third child, Thomas, was born. Thankfully, we had family close by to help with Anna and James while we were in the hospital. Praise the Lord, delivery went well, and our children love having Thomas in our family. Mahalo to all of you who have prayed for us during the pregnancy!

Now that the busy holiday season is ending, we are praying that our state will open up more and more. Please pray with us that visitors will come and be comfortable in our facilities and our safety procedures. Please also pray for a faithful couple or family to come and help us in the ministry. Also, please pray for our larger ministries to be able to begin quickly after tier 3 opens up- Sign Language Class, Ladies Bible Study, Nursery, and Junior Church. Lastly, please pray for our son, Thomas, we had a sonogram after he was born, and his kidneys have some minor issues that the doctor isn't worried about, but still wants to have checked out by a urologist. If you could pray for his health, and also for our finances for any tests he might need. Thank you so much for supporting us through prayer and keeping in touch with our family. We love hearing from you and praying for your church ohanas.

Nov/Dec Newsletter Prayer Requests

- More Churches to Partner with Us
- Hawaii to enter into Tier 3
- Souls to be Saved
- Sign language and ladies ministry
- Thomas' upcoming appointments
- Community members to be comfortable attending church
- Community outreach opportunities
- A couple or family to help MBC
