

Mele Kalikimaka

Merry Christmas and a Happy New Year! As we exit the months of November and December, we reflect over what God has done here at Maluhia Baptist Church. It is easy to get wrapped up in getting things done for the holiday season, that you forget to see what God is doing in the process.

November started off with Veteran's day where we always take time to honor our veterans in our church. As we encouraged our people to invite friends that might be or might have been in the military, we ended with having 3 new visiting families that day. Since then, they have been faithfully attending our church. God used outreach events, visiting missionaries, and the coming holidays of Thanksgiving and Christmas to provide opportunities for fellowship with new and current attendees. Praise the Lord, new relationships have been forming, and we have been able to see growth in personal lives.

We have seen that everyone is excited to begin a new year fresh and without fear from Covid. If you could pray for us, as we train our people to be soulwinners, most do not have experience with sharing Christ with others and as our state opens more and more, there will be more opportunities to go out into our community. Also, please pray for our building situation. Praise God that during the pandemic we were able to have our own space and minister to people consistently without having to worry about where to meet, but our lease is up in October, and there are several scenarios that could work including staying exactly where we are. Mahalo for those of you that have reached out recently through social media- you were such an encouragement. Mahalo to everyone for praying for our family and Maluhia Baptist Church, there is much to pray for during this exciting new year of 2022!

Nov/Dec 2021 Prayer Requests

- Souls to be Saved
- Ministering to Military and the community
- Churches to continue support
- A couple or family to come and help MBC
- A permanent building
- People to Grow and Mature
