

Ohana

A word that most people know in Hawaiian is the word ohana which means family. As we started Maluhia Baptist Church, from deputation and through today, God has allowed us to do it as a family. From raising support and traveling, to seeing God work in the past few years and using our ohana to reach other families has been one of the biggest blessings.

This past quarter, we had an awesome baptism Sunday as we saw Julia, after trusting in Christ as her Savior, take a big step obedience with Believer's Baptism. It has been awesome to see her grow since she started coming to our church a few months ago with faithfulness to discipleship and wanting to serve the Lord. Our daughter, Anna, who got saved on Good Friday, was also baptized that day- she has been such a joy to see grow up and her love of learning about God and the Bible.

God allowed us to have some great days this quarter with Easter, Mother's Day, Father's Day, Keiki Fun night, and more. It has been a blessing to see more people get involved with outreach opportunities, and their concern for other souls grow.

Please pray for a couple of pressing things for our family and ministry.

1. Our lease is up for our church in October, and we have already put in a offer to extend with little to no change. Please pray that they accept the offer.
2. Pray for our church ohana. Pray that we can reach the new group of military families on the island and that God would provide to us more local families to build and grow His Church.
3. Lastly, pray for our family. Long days and long nights can be difficult on our family, but please pray for wisdom as we prioritize both family and church.
