

## Malama

Malama is a important word in Hawaii meaning “to protect or care for.” It is most commonly used when speaking of our land or our community. Summer is usually seen as a break from the normality of the school year, and a time of rest in nice weather, but for us, the summer months bring the biggest outreaches of the year. It is our church’s opportunity to show our care for our community, and grow relationships through different ways throughout the year.

The Kailua 4th of July Parade is always an exciting day where we prepare flags and tracts as a church ohana, and then give them out throughout the parade route. It is an amazing sight to see over a thousand people willingly and happily receive the Gospel throughout the day. This year, we also have invitations to our Back to School Extravaganza to hand out to families during the parade.

Our Back to School Extravaganza is always our most complex outreach. Through this event God gives us the opportunity to strengthen our relationships with our local public elementary school, partner with local businesses, and show our love for our community and keiki. This year we are praying to be able to give a fun day to over 100 children with lunch, free school supplies, and a clear presentation of the Gospel. There is much to plan and execute, and it can only be accomplished with God’s help.

Please continue to pray for our family and Maluhia Baptist Church, but especially please pray for these two events. Pray for the people that receive tracts, that they first and foremost get saved, but then also find a church family at Maluhia. Also, pray for the children at the Extravaganza. We are praying that we see salvations that day, but then also we are praying to see families reached through this outreach. We already have several returning families from last year registered for the event! Lastly, please pray for finances for this event. We have reached out to several companies for backpack donations which would definitely help us to be a blessing to our community, and we want to be the best testimony we can be. Mahalo for your love and friendship to our family, and for your partnership with our ministry at Maluhia Baptist Church!
