

Ho'olaule'a

The word "Ho'olaule'a" means to celebrate or have a community gathering. We all know that in the fall, many of the ministries at a church consist of outreach events and holiday celebrations. It was encouraging to us at this time to see our church ohana come together and share God's love with each other and the community.

In October, we officially renewed our lease for two years with no change to our current rent. That was such an answer to prayer. We have been able to see our church family come together as well to help make the property the best we can for God's glory. From helping clean the AC to deep cleaning the nursery, from pulling weeds to helping with the sounds system, it has been a joy to see others serve God along side us at our church.

As for fall events, we always anticipate the Candy Outreach and Friendsgiving dinner. This year, we were able to hand out over 800 candy bags with tracts inside, and had over 15 people help hand them out. At Friendsgiving in November, we had over 20 military members and their families enjoy dinner with our church ohana who served them a Thanksgiving meal. Many of our church family who are in the military were able to invite friends and coworkers and see them hear a clear presentation of the Gospel. December is an exciting time for Christmas and New Years, but for our church family, we were able to come together and see five people baptized and join the church that were saved throughout the year. And even though rain was pouring down, it was a great time for everyone to gather at the beach, and rejoice together for their faith and obedience!

2026 is going to be an event filled year for our family. Sarah is pregnant and due with our fourth child in May. Please keep us in your prayers for health and our time in transition from a family of 5 to 6. Please also continue to pray for our church building, although we were able to renew our lease for two years, rent is always expensive, and we will eventually need to find a new place to meet. With Spring coming quickly, pray for our events coming up as we are trying to teach our church family this year not just about outreach, but about personal soulwinning. We are going to have a special time this spring to train and equip them to be able to lead others to the Lord personally.

Mahalo for your love, support, and prayer for Maluhia and our family!
