

Ho'ohana

The word "ho'ohana" means to do things together or working together. These past few months, we have seen our church ohana grow together and work together to see others come to know Christ. We have also taken some personal time as a family to spend time together and visit some supporting churches on the mainland.

April was an awesome month for our church starting off with Easter, which was our highest attendance ever at 58 people. Several visitors in attendance have continued coming to our church and so many of our church members were able to see fruit from their door to door soul-winning. We also had a growth event where many in our church went bowling together and enjoyed fellowshiping together.

On May 14th, our daughter Eden was born. Our children have acclimated quickly to having a baby sister, and our church family has been such a blessing. We were also able to fellowship at our annual Memorial Day picnic at the beach with a potluck meal and lawn games.

June was such a busy month for us. We were able to visit family on the mainland and introduce Eden to them. We were also able to visit several supporting churches, and spend some much needed family time in Washington, D.C. We were able to show our children a lot of the history of our country and visited the Bible museum together. This quarter we have also seen several begin discipleship, complete discipleship, go soul winning together, begin serving in different areas of ministry, and everyone come together to make 1,000 flags and tracts to hand out during our 4th of July Parade Outreach.

Please pray for our church. We are seeing many people grow spiritually and make great decisions for God, and we want to see everyone continually to grow throughout discipleship, serving, and leadership. Also, pray for our summer events in July. Our 4th of July parade is always a great time to see the Gospel go out to Kailua, and our Back to School Extravaganza is our biggest community outreach. Please pray that we have enough volunteers for the event. Mahalo for your love, prayer, and support.
