

Makahiki

Makahiki is not just a word. In the ancient Hawaiian culture it was the start of the harvest season and the start of the new year! As we finish off the summer and begin the fall season, there are many things to be thankful for in our personal lives and our ministry.

At the beginning of July, we loved being a light during our 4th of July parade. A group of about 13 people from our church family handed out over 1,000 tracts, American flags, and Bibles to the crowd during the parade. We not only were able to connect with people that we have gotten to know in our community, but invite children on the parade route to our Back to School Extravaganza at the end of the summer. We know for a fact, three families were able to attend our event specifically from being invited during the parade.

One area of growth that we were particularly excited about this summer, was that we were able to host our Back to School Extravaganza solely with volunteers from MBC and some parents of keiki attending. It was such an encouragement to see all hands in during this important event, and over 70 children and parents hear the Gospel.

Please pray for our family. With the school season started, we have had to navigate a very tight schedule. Anna is in her last year of elementary school, James is pushing through 3rd grade, and Thomas has started Kindergarten. Each child has their strengths and weaknesses, and we are trying to help them as best as possible. Eden is now 4 months old, and doing well. She is always a happy baby and has recently started sleeping through the night.

As you pray for Maluhia, please remember our military ohana who are moving on to their next duty stations this year. After a 3 year time in Hawaii, you can imagine the relationships that have been developed and how much they will be missed. Please also pray for a church building. Our lease is going to be over next October, and we are praying about how God wants us to proceed.

Thankfully, we were able to get a property tax exemption filed for our landlords, and if you could pray with us that it is approved we would appreciate it. Mahalo for always loving our family and our church family.
